Race Rules

1. Age divisions are according to the swimmer's age on 24 February 2018.
2. Age divisions are: 6 Years & Under, 7 & 8 Years, 9 & 10 Years, 11 & 12 Years, 13 & 14 Years, 15 & 16 Years, 17 Years to 49 years and 50 & Over.
3. A competitor may not compete out of their age group in individual events.
4. The 2-start rule will be enforced. For the first false start, a warning will be issued. For subsequent false starts, the offending swimmers will be disqualified.
5. Swimmers in the 6 years and under age group will not be disqualified and may be assisted in the race by an older swimmer or floatation device. However, if a swimmer in this age group gains an advantage from something that would normally result in disqualification or from assistance, the Race Referee may, at their discretion, adjust the finish time of that swimmer for the estimated advantage gained.
6. The wireless electronic timing system will be used to determine race finish times. If the system fails to record a time or the time recorded is materially inaccurate for one or more lanes in a race, the Race Referee may at their discretion, determine the finish times for the offending lanes (for the purpose of correcting the finish order and points for the event) or request that the race be re-run.
7. The Race Referee's decision on disqualification will be final.
8. All events will be timed finals – that means the results are based on times achieved, regardless of the heat.
9. Swimmers must present to the marshalling area at least 2 events before their event (listen for PA announcements). Any swimmer who misses their marshalling call will not be allowed to enter their race.
10. Age Relay events will only be run if time permits.
11. Any questions about the carnival rules should be directed to Andrew Pearce, President of Enfield Swimming Club president@enfieldswimclub.org
